congrats to you all and to those to shy to report their successes!

President's Message

Hi Everyone,

The Region 1 Championships are over, which means that the competition year has almost wound down. Congratulations to everyone who competed in the Championships and many, many thanks to the stalwart army of volunteers and management for running such a huge and successful show.

We had fun, elation and disappointment all in various measures over the weekend, but the show was well run and a huge success. Kudos to all!! The weather was as usual changeable and variable, you really do need to bring your entire closet of clothes both human and equine to these shows, from 80s in the day to 40s at night, with rain, wind and sun the old saying about Virginia weather, "If you don't like it, wait ten minutes" really does apply!

I'd like to extend a special congratulation to Nancy Lowey for her successful Grand Prix ride – she is now one step closer to moving up in the world of dressage judging. In addition, our Chapter member Ame Hellman placed 3rd in the Prix St. George Championship class and was Reserve Champion at Intermediare I on her very own Ronaldo. One of Carter Bass's students, Bethany Wood, managed to get the High Score of the Show on her horse, Mosaik. Also, congratulations to Fredericksburg Chapter Member Patrick Tigchelaar and Marwick who were 5th in their PSG Open Championship class. And of course,

Now that our competition year is almost finished it's time to start making plans for the winter, we need ideas for our winter series "Evenings with", we also need Board members and Officers. We need energy and enthusiasm from our members to get things going again. Our next meeting is Nov 2nd at Topeka's steakhouse, Charlottesville. 7 pm. I hope I get to see you there.

It's time to think on the winter schooling and training plans, plus to time to relax and enjoy our horses, families and friends. I hope you had a good time riding this year.

Yours,

Melyni Worth

October Board Meeting Minutes

Submitted by Mary Lou Goings

The meeting was held at Topeka's on 250 in Charlottesville, beginning at 7:00 p.m.

Sherri Booye reported our membership for 2009 as 118 with three renewals for 2010 as of this date. The Chapter currently has \$7,120.39 in its bank account owing \$600.00 in scholarship funds.

Last month's minutes were verified and approved. A discussion regarding the 2010 officer nominations was held. Mary Lou Goings is resigning as secretary due to job commitments. Sherri will be offering ballots in the newsletter soon for the Chapter's new officers.

An in depth discussion was held in regards to the chapter's 2010 Show scheduled to be held in September at Commonwealth Park. Sherri informed the board that under the new rules the VADA-CH Show will be a Level III. Show advertising was reported by Gardy.

The chapter is committed to advertising the 2010 Show in the upcoming GAIG program. In addition Gardy proposed an ad be placed in the Purple Book, the Region I Prize List and perhaps The Virginia Horse Journal. This suggestion was accepted by the board. At this time Nancy Lowey has arranged for two S Judges, Elizabeth Lewis and Sarah Schmidt to judge. Carter Bass has agreed to work in conjunction with Nancy in the search for an additional judge. Carter suggested that perhaps in a 2011 show we could offer a class for "Future Event Horses." A third dressage arena is at the chapter's availability thanks to Amy Hellman.

An update for the chapter's 2010 Dressage Clinic was led by Gardy. She stated that Erin Sweeney has offered to research the possibility of hosting Chris Hickey as a clinician. For our "Fix-a-Test" Carter mentioned Kathy Connelly as well as offering herself. It was agreed upon that in March 2010 Carter Bass will be the clinician for a clinic entitled "Search for the Scores" to potentially be held at Grayson Farm in Scottsville. If Grayson is not at the chapter's disposal the other possibilities mentioned are Toad Hollow and Cedar Creek.

Suggestions for the 2010 "Evening's With" series were discussed. "Booye Theatre" (Sherri Booye's lovely home) will host an evening of Dressage Videos and potluck dinner. This was held last year and was enjoyed by all. More ideas are welcomed by all chapter members.

Catherine Kern has graciously offered her home for the chapter's 2009 year end banquet. The board agreed the banquet will be held on Saturday January 23rd beginning at 6:00 p.m. This will be a potluck dinner with a sign up list for dishes to be generated in the newsletter.

Following an informative meeting and nice dinner the meeting was adjourned at approximately 9:00 p.m. by Melyni. The November meeting will be held on Monday, November 2nd at Topeka's.

In attendance:
Melyni Worth, Sherri Booye, Jan Templeton, Catherine Kern, Jennifer Sheltra, Gardy Bloemers, Carter Bass, Gerry Iannelli, Mary Lou Goings

Membership Renewal

It's that time of year! Membership renewal for 2010!!! The membership year runs from December 1 through November 30 each year in line with the membership year of the USDF. You will find the new membership application in this newsletter.

The membership application has a space to mark whether you want paper or email of the newsletter. If you do not mark this box you will be emailed the newsletter, so please complete the form.

Also - please be sure to indicate what your USDF number is so that we can get the information filed correctly with USDF. If you have junior members as part of a family membership, please say so on the application so that they are reported correctly.

You must be a 2010 chapter member to be eligible for the 2010 scholarship drawing at the annual VADA-CH banquet.

Also, if you get your application in early, you won't have to worry about having your member number or your USDF GMO membership in time for the early spring shows.

Don't forget that for certain things, such as the year end GAIGS, you must also join the USDF as a participating member in addition to joining the chapter.

Exceptional Mare for Sale -

Esculira, Now winning at 3rd Level, having started showing only a year ago, this elegant 16.3h imported elite-eligible Hanoverian mare by Escudo I, "Echo" will be ready for 4th Level soon. Her scores from 1st Level to 3rd Level are mid 60's to 70%, and she had helped her rider earn her Bronze Medal in only four shows! She wins consistently, and is always in the top ribbons. Her gaits are expressive, consistently scoring 8's, and although her movement is big, she is lovely to sit. She was previously with an FEI trainer for 7 mos., doing 4 and 3 tempis, passage and piaffe in hand. Echo has the talent and training background to keep moving up the levels readily. She has a super work ethic and tries really hard for the rider. She is sensitive to light aids, and is quite pleasantly forward. She is quiet and friendly around the barn, easy to handle. She would be a good match for the ambitious rider. Watch the video: <http://www.youtube.com/watch?v=Px3he5TQY0I> or search You Tube for Esculira. \$32,000. Member of the Month: Jan Templeton

When did you become a member of VADA Charlottesville?

Jan: 2004

When did you move to the area and why? From what location did you move?

Jan: I moved to Madison in the summer of 2004. I previously lived in Philomont, Virginia, near Middleburg and Leesburg, and had a house and barn on 10 acres. I wanted to relocate to an area which was less developed and also buy more property. I had been breeding, raising and training Hanoverian and Dutch horses and I wanted to concentrate more on just riding. I found 52 acres North of Charlottesville, which I purchased in late 2002. I designed a nine-stall barn with attached living quarters and an indoor arena, and the construction was mostly finished by the fall of 2004. I would have to say that this is still very much a work-in-progress. I am in the landscaping phase now and don't see an end in sight.

When did you start riding? What made you interested in dressage?

Jan: I started taking riding lessons when I was 8. I remember writing LEFT and RIGHT on the top of my hands so I would know the proper direction to turn when asked. I got my first horse when I was 12. Years later, in the late 70's when working in Washington, D.C., I commuted out to Potomac Horse Center (now Maryland Horse Center) to ride. The program there was dressage-based and I made the transition from a forward seat to a balanced seat.

What do you do for a living? If this involves horses now, did it always involve them? If not what did you do in your previous life and how did the switch evolve?

Jan: I previously worked for the Department of Agriculture and the Department of the Interior in the Human Resources area, as an Employee Development Specialist. I was working for the Geological Survey in Reston, Virginia in 1999 when I was able to take advantage of an early retirement opportunity which afforded me the chance to spend more time with my horses. I currently board a few horses along with mine and I offer schooling, exercising and lessons. I also am a certified Equine Massage Therapist.

What do you consider your greatest achievement in the sport during the last year?

Jan: It is perfect timing for this question. I just earned my Silver Medal. I have been showing a Hanoverian gelding, Waverley (Woody) for the past 4 years and have had the opportunity to move from 2nd level to PSG. This experience has been especially rewarding for me because I have always had to train my own horses. I was extremely fortunate to get Woody, who had been trained to 4th level. The FEI levels are new territory for both of us, but we are hanging in there.

What are your ambitions in the sport?

Jan: I want to keep learning. I would like to get as much experience as possible at the FEI levels. I have some younger horses that are showing a lot of talent and I hope to be able to move them up the levels.

Based on your experiences, what do you feel is the most important advice you can offer to others?

Jan: First of all, if you want to be a successful dressage rider, you have

to be healthy and fit. Do what it takes to keep your body flexible and strong. Eat healthy. Think of yourself, as well as your horse, in getting needed chiropractic and massage treatment. Secondly, if you really want to progress in your riding-- buy, lease, or borrow a horse to ride that has had previous dressage training. It's great to learn dressage along with your horse, but it is hard and takes a long time. Life is short!

What do you want to get out of VADA-CH?

Jan: I enjoy the social aspect of the organization, in meeting people and developing friendships. Attending meetings and functions also gets me out of the barn. This networking is also important for me from a business standpoint, in building my boarding and training clientele.

What can you contribute to VADA-CH?

Jan: I am happy to volunteer my time and energy where needed.
